NOTICE OF PROPOSED RULE MAKING

Adopted: July 1, 1998

Released: July 10, 1998

Comment Date: August 31, 1998

Reply Date: September 15, 1998

By the Chief, Allocations Branch

1. Before the Commission for consideration is a petition for rule making filed by L. Topaz Enterprises, Inc. ("Topaz") proposing the allotment of Channel 283A at Stevensville, Montana, as that community's first local broadcast service. Topaz indicated that it would file an application for Channel 283A at Stevensville if the channel is allotted to the community.

2. We believe Topaz's proposal warrants consideration. A staff analysis has determined that Channel 283A can be allotted to Stevensville, Montana, in compliance with the minimum distance separation requirements of the Commission's Rules without a site restriction.¹ Since Stevensville is located within 320 kilometers (200 miles) of the U.S.-Canadian border, concurrence of the Canadian government will be requested for this allotment.

3. In view of the fact that the proposed allotment would provide Stevensville with its first local broadcast service, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 283A to Stevensville, Montana.² Therefore, we will

¹The coordinates for Channel 283A at Stevensville are 46-30-24 and 114-05-18.

² The community of Stevensville, population 1,221 people, is located in Ravalli County (population 25,101 people). The population figures are from the 1990 Census. The 1998 edition of the Rand McNally Commercial Atlas indicates that Stevensville has its own post office and zip code and is an incorporated community.

seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Stevensville, as follows:

Community	Channel No.

Stevensville, Montana	-----	283A
